

### Food and Beverage Policies

1. Dinner reservations although requested for the member's convenience and the kitchen's preparation, are generally not required to dine in the Mixed Grille, Lounge or on the Verandah. However, they may be required from time to time as determined by the Club to guarantee maximum service to Members. Reservations for parties of eight (8) or more persons will be accepted to expedite set up and service to the Member.
2. Parties of twelve (12) or more are asked to call the Food & Beverage Manager to arrange details including a set menu.
3. It is recommended that you call ahead when you plan to visit the Club for any evening dining or social purposes. The Club personnel can alert the Member to dining specials and service levels thus avoiding any potential delays or inconvenience to the Member and his or her family or guests.
4. Reservations for a la carte dining will be held for fifteen minutes (15) after the reserved time.
5. Reservations are required for most Club sponsored special activities and shall be accepted on a first come, first served basis by pre-registering with the Club receptionist. Cancellations must be made forty-eight (48) hours in advance to avoid charges being billed to your account.
6. For all Club sponsored functions held in the dining rooms of the Club, tables will be assigned on a first-call-first-choice basis. Reservations for special tables may be accepted at the discretion of the Club.
7. Reservations for private meeting rooms, private banquets, private parties and functions should be made as far in advance as possible through the Food and Beverage Manager or Banquet Coordinator in order to guarantee availability of room(s) and proper advance planning.

8. Cancellations for private parties and functions must be made at least seventy-two (72) hours in advance. If this is not done, the Member will be charged for each person reserved. A non-refundable deposit and/or signed function agreement may be required.
9. Room set up fees may be required for private parties, meetings, banquets or functions. Likewise, audio/visual aids, special decorations, flowers and/or props will entail additional charges. Check with the Banquet Coordinator for details.
10. The Club will schedule special dining and social events from time to time. A la carte service may be canceled or modified during these special events. Check your newsletter or contact the Club for dates and times.
11. All food and beverages consumed on the Club property must be furnished by the Club unless otherwise, as in the case of an approved charity, permitted by the General Manager.
12. Employees are permitted to deliver food to locations away from the immediate area only with the advance permission of the General Manager.
13. Alcoholic beverages will not be served or sold, nor permitted to be consumed, at the Club during hours or at locations prohibited by Law. No alcoholic beverages will be sold or served to any person not permitted to purchase the same under the laws of the State of Ohio, or any applicable ordinances or regulations. All alcoholic beverages consumed or otherwise possessed on the Club facilities must be sold and purchased at the Club.
